# Ryoji Koie by Matthew Kangas

Matthew Kangas

one of many jap ceramic artists operating today, Ryoji Koie is the single on the most important interface with modern art. no matter if teabowl, vase, open-mouthed cylinder, tray, or bottle, Koie's selected shapes are immediately identifiable as pottery but they develop into Ryoji Koie departure-points for a rare diversity of floor remedies from the indulgent to Ryoji Koie the austere. This quantity illustrates and considers a physique of labor created by way of Koie in the course of a Ryoji Koie residency in Seattle on the collage of Washington. He situated normal deposits of clay in a number of neighborhood sites. Vases, vessels, trays, footed plates, and "stretched" plates have been created in profusion, every one topic to the artist's free-wheeling mind's eye in altering, throwing, ripping and tearing, and utilising glaze and liquid clay or "slip".
