Tales from the Tales from the Zirzameen Zirzameen by Brian Hanson Appleton

Brian Hanson Appleton

stories from the Zirzameen displays on Iranian tradition and society in addition to the yank expatriate tradition there within the 1970s. the fast tales relate how the writer turned assimilated there, and he stocks his studies prime as much as the revolution and in its aftermath. regardless of the situations below which he left the country-including being taken hostage for a time-the writer celebrates the hospitality and wealthy tradition of the Iranian people. He was once welcomed warmly into their society and got here to understand the sincerity and kindness that characterised the folk he met. it's was hoping that putting the folk Tales from the Zirzameen of Iran in larger old context may familiarize the yankee individuals with this historical culture, displaying the human faces that lie in the back of the present political propaganda. the target is peace and popularity of our universal humanity.

Tales From The Zirzameen
