The Roman Amphitheatre: From Its Origins to the Colosseum

Katherine S. Welch

studying the evolution of the Roman amphitheatre as an architectural form, Katherine Welch addresses the serious interval within the historical past of this development type. She covers the origins and dissemination lower than the Republic (from the 3rd to first centuries BC); monumentalization as an architectural shape less than Augustus; and canonization as a construction variety with the Colosseum (AD 80). The research then specializes in the reception of the amphitheatre within the Greek East, part of the Empire strongly divided concerning the new realities of Roman rule.

The Roman Amphitheatre From Its Origins To The Colosseum
