EVERLASTING LOVE

THE WAY HOME

Jean Brashear

Because happily ever after
is just the beginning.

The Way Home by Jean Brashear

Jean Brashear

James Parker will not quit on his wife, Bella. Not after every little thing they have been via together. What all started as an not likely marriage among a blue blood and a insurgent blossomed just like the gardens Bella cultivates. But she cannot have in mind any of it. Miles from home, bothered with amnesia, she's secure within the care of a sort medical professional - and secure from the reminiscence of the betrayal that made her leave. Now it is as much as James to remind her in their extraordinary lifestyles together, to aid her fall in love again...and to aid her locate the way in which home.

This was once a great emotional read, James-Bella either were married for 36 years and have been chuffed yet someplace down the time they misplaced the spark, James took Bella without any consideration and strayed. Bella is devastated and leaved yet then she is mugged and she or he loses her memory. This is sort of a moment probability and James does every thing to win his Bella back. Liked the best way James eventually realizes his mistakes, regrets it. Even Bella realizes The Way Home her errors how they either misplaced every one other, it makes her so offended at what he did and as she says "I can't overlook yet i will be able to forgive", James starts off planning to make amends they usually have The Way Home their HEA. Recommend it.

The Way Home
